

What can you do?

Help is always needed and the committee welcomes both new faces and new ideas to the Friends! If you are interested in joining us to benefit your children, please enquire at the school office or ask your child's class teacher or any member of staff who will put you in touch with someone on the current Friends' committee.

Alternatively, fill in the tear off slip below and send it in to school with your child to give to his/her teacher.

Friends of Berkeley Primary School

'Friends of Berkeley Primary School' (FOBPS) is a group of parents and carers, staff, friends and local residents who come together to support Berkeley Primary School. The Friends make a valuable contribution to both school life and school funds, and their financial support enables the school to purchase additional equipment and carry out activities that the school is not able to fund from the school budget. This includes subsidising school trips, providing playground and games equipment, contributing to after-school clubs, buying musical instruments and supporting many other activities which enrich and extend the school curriculum.

Who we are

'Friends of Berkeley Primary School' (FOBPS) is a group of parents and carers, staff, friends and local residents who come together to support Berkeley Primary School. We organise social events and fundraising activities, as well as providing voluntary help in school.

All parents, carers, pupils and staff are automatically members. The level of participation is up to each individual and can vary from simply helping at one of our events to being an officer on our committee.

We have a committee of elected officers which meets regularly to plan and organise events.

Our aims

The aim of the Friends is to support, enrich and develop the education of all children attending Berkeley Primary School, and to foster closer understanding between parents and carers, staff, pupils, friends and members of the local community.

We are committed to organising events which are fun, which improve community relations, and which provide sociable entertainment for children and adults alike whilst at the same time raising much needed funds for the school.

What we do

The events run by Friends of Berkeley Primary School help to raise money to support lots of 'extras' at school; we also try to make them an opportunity to meet and socialise with others, and to help establish a feeling of community at the school.

Money is raised through a variety of events which have included school fairs, discos, quiz nights, competitions and sponsored events.
